

# GCASA Young Volunteers Program 2015/2016

Dear GCASA Affiliated Club

The new season is about to start and so is the Young Volunteer program. Would you like to run the program for young people within your club? Are you aware of the Young Volunteer/Young Coach program?

My name is Beatrice and I am the Young Volunteer Co-ordinator for Gloucester County ASA and within Gloucester City Swimming Club. It would be really good if we had lots of young people from lots of different clubs joining the program this year, all clubs could join together and help each other to deliver the program. We could even share ideas and work to improve and adapt the program on a County level.

Please, take a moment to look at this letter and information and application forms on the GCASA website (<http://www.glosasa.com/young-volunteers>). Please let me know if you are interested in getting started. I am very happy to answer any questions and to help you in any way I can.

Please, send all application to the following address
